

Do you need emergency support?

Balancing people's safety and business continuity has been a rising concern throughout the pandemic. It has now become an essential requirement with the unfolding situation in Ukraine, Belarus and Russia. We want to assure you that we are here to help and offer advice and support whenever you need it.

Global Mobility emergency support

A purple icon of a clock with a checkmark inside, indicating time management or updates.	Ensure your BCPs are up-to-date with accurate, reliable, real-time information and 24/7 exclusive access to our tech platform.
A purple icon of a globe with three stylized human figures below it, representing global support and people.	Emergency support services and resources, including translation services, immigration offices, government agencies, useful numbers, etc.
A blue icon of two hands holding a globe, symbolizing support and care.	Our settling-in support specialists offer real-time reliable advice on destination markets, temporary accommodation options, schooling, etc.
A blue icon of two interlocking gears, representing business planning and strategy.	Long-term business planning to envision what's next and contingency planning (settling in to new locations, future move planning, etc.

We also offer a full suite of personalised Global Mobility services

Should you have any urgent questions or enquiries, please don't hesitate to get in touch with our crisis response team—we're always here to help.

About Santa Fe Relocation

Santa Fe Relocation is a Global Mobility company specialising in managing and delivering high-quality relocation services worldwide. Our core competence is providing services that help corporations, their employees and their families to relocate and settle in new places. These services are delivered to a consistently high standard, locally and globally, through our own operations and approved partners. Visit www.santaferelo.com.

Environmental Responsibility

As outlined in our Communication on Progress report, we take our environmental responsibility very seriously. We always aim to use printers that are FSC certified. This means that the printer purchases and uses wood, paper, and other forest products produced from well-managed forests and/or recycled materials. If you have received this document electronically, please consider your environmental responsibility before sending to print.
